Allocated All Modules?
- No

REMINDERS
- Students are required to check the lecture, tutorial and exam schedules before bidding for modules.
- Students should ensure that they fulfil all the necessary pre-requisite and preclusions for the modules they selected.
- Students can accelerate from ROUND 3A.
- From Round 1A, advanced bids are not accepted for the next immediate round once a current round is closed but advanced bids can only be placed for subsequent rounds.
- Decide on the bid amount based on the information available.
- Allocation will take place once the system closes.
- Students will be notified of bidding results (successful or not) via email.

PROCEED TO TUTORIAL REGISTRATION.
